Thank you to Tom Anastasio, Trish Vevera and Teresa Rizzo for generously giving their time to judge the show and to share their insight.

These artists and judges (some returning and some new this year) have truly become our friends, and thanks to them we had a successful and fun paint out.

Vote for your favorite painting in GOLLA's upcoming "Choose your favorite from the artists' favorite" in- gallery and online people's choice contest. [www.galleryoflocalart.com](http://www.galleryoflocalart.com).

Thank you also to Jim Challender, publisher of Destination Flagler Beach, Lea Stokes, Vice Chair for the Flagler County Chamber and Kim Carney, Chairman of the Flagler Beach Chamber for choosing a painting to grace the cover of Destination Flagler Beach and for joining us this evening.
